Supporting Multiple Birth Families...Every Step of the Way

10 Great Reasons to Support MOST!

1. Information

Your donations allow MOST to continue providing high-quality information to families of multiples like the [MOST's 500 page website](#), [parenting resources](#), [101 FAQs on multiples](#) & [Stories from the Heart Blog](#).

2. Networking

Your donations ensure MOST can secure, moderate, and maintain the [Family Support Forums](#) and [Resource Volunteer Database](#) to provide much needed support to families facing unique challenges.

3. Research

Your donations support critical [research projects](#) and the [compilation of statistics](#) used by researchers and medical professionals to help families of higher-order multiples have healthy outcomes.

4. Advocacy

Donations fund MOST's [advocacy efforts and creation of policy statements](#) that MOST does on behalf of all multiples and their families.

5. Outreach

Without the generous support of donors like you, outreach programs that help multiple birth families in need such as the annual [MOST Adopt A Family](#) and [bereavement programs](#), would simply not be possible.

6. Training

Your donations help fund programs that [train volunteers](#) and [mentor local multiple support groups](#) so families expecting and parenting multiples receive quality support at the local level as well.

Your donation makes a difference in the lives of multiples!

7. Families in Crises

Learn how during events like the [hurricanes in 2005](#), MOST reaches out to families to ensure they are able to meet basic needs.

8. Families in Need

Read how the annual MOST [Adopt A Family program](#) has helped hundreds of families facing difficult financial or medical challenges.

9. Families Who Thrive

Find out how MOST's [support and information has made a difference](#) in the lives of many families [for over 20 years](#).

10. MOST Is There

View photos and find feedback from attendees at MOST events like the [Mothers of Multiples Gatherings](#).

Thanks to the tireless efforts of hundreds of MOST volunteers, MOST is able to provide almost \$3 in services to families for every \$1 donated.
