## Column!

Become a Personal Column Sponsor for *SUPERTWINS* magazine. Personal sponsors can include individuals, families, memorial funds or other special not-for-profit organizations, and can be done in honor, celebration, or in memory of someone special to mark a milestone or just celebrate life in general. Column sponsorship costs \$1000, and the sponsor will be acknowledged in a section covering approximately 1/3 of a page for 4 issues of the magazine in the magazine column of the sponsor's choosing. To become a *SUPERTWINS* column sponsor, visit us [online](#) or contact the MOST office by phone (631) 859-1100 or [email](#).

Sponsors are welcome to submit appropriate content (text, photos, or graphics) for their acknowledgement, or the *SUPERTWINS* editorial and design staff will be happy to help write/design content for you. MOST accepts only one column sponsor for each column per 4-issue term, and some columns do not run for every issue, so acknowledgments may not run in consecutive issues.

In addition to the magazine, sponsors will be acknowledged on the free sample article page on the MOST website, for the column chosen (see links below.) The website acknowledgment will run for the same length of time the acknowledgment runs in the 4 issues of *SUPERTWINS*.

### Columns available for sponsorship are:
